### **General Block Preparation Instructions:**

- 1) Hoop with Sticky Tear Away Stabilizer. Use a 6" x 6" hoop or larger.
- 2) After stitching out the Santa, and before trimming, using a water-soluble pen, mark the center for the words on the background fabric of the Santa.
- 3) Load design: **You Better Be Good Words**
- 4) **With hoop attached to embroidery unit, move the background fabric on top of the Sticky Tear Away stabilizer until the center mark is aligned with the needle.**
  - **Insert the needle into the mark on the background fabric.**
  - **Press the background fabric onto the Sticky Tear Away Stabilizer.**
- 5) Use the embroidery machine "Basting function" to baste the background fabric to the stabilizer. Make sure the background fabric remains flat.
- 6) Stitch out Words.
